Dear President Fitzgerald, Provost Heller, and the Board of Trustees,

I ask that you negotiate in good faith with the USF Part Time Faculty Association (PTFA) in a manner consistent with Jesuit values of social justice and USF's mission.

The PTFA is the union representing over 600 adjunct faculty at USF, affiliated with the American Federation of Teachers/ CFT Local 6590. This largest of the faculty groups on campus is also the most vulnerable. Read stories about their struggles on Facebook: www.facebook.com/usfptfa

Part Time Faculty are seeking:

- A fair salary increase that matches the % by full time faculty;
- Lower health care rates;
- Job security and predictability;
- Fairness in course assignments;
- A Part Time Faculty Peer Review ;
- Inclusion of part time faculty into decision-making at all levels of the university;
- No freeze on promotion applications to the "Preferred Hiring Pool"
- Increased security and benefits for members who do not have PHP status.
- No harassment of the Union negotiating team or retaliation of members for Union activity.

President Fitzgerald, Provost Heller, and members of the Board of Trustees: Social justice begins at home. Please negotiate in good faith -- and with respect -- with part time faculty at USF for the benefit of USF students, faculty, and University communities.
